Dear Mr. Nkululeko Mthembu:

Letter of Gratitude for Mentorship & Guidance for Council Registration as a Pr. Quantity Surveyor

I would like to take this opportunity to thank Mr. Nkululeko Mthembu of AZADI consulting for the mentorship and guidance that you have provided me with for my council registration and submission of my interim report.

The council approved my submission and I have attached the report for your attention and review. I have been granted approval to submit my final report and I am confident that this too will be approved and successful with your help and guidance.

I feel lucky and fortunate to have had the assistance and guidance I received from you and the team and I hope you will be as helpful to those who will come after me and upon my registration at the end of the year, I will definitely do the same for aspiring professionals.

I would like to wish the company the best of everything and may it continue to grow and give guidance to many more to come.

Faithfully,

Miss Bongsi Mabaso
